On the occasion of **National Consumer Day**, the **Department of Commerce** at **K.H Government Degree College, Dharmavaram** organized a **Two-Day Workshop on Consumer Rights** on [Insert Date 1] and [Insert Date 2]. The aim was to inform students about their consumer rights, the legal protections available, and how to make smart consumer choices.

Inauguration:

The workshop began with a welcome speech by **Dr. K. Prabhakar Reddy**, the college principal, who spoke about the importance of consumer awareness.

The **chief guest, Sri B. Areef Basha**, Assistant Professor and Head of the Department of Commerce at SSBN Degree College, Anantapur, gave the keynote speech. He explained the **Consumer Protection Act**, the role of consumers in the market, and how they can protect their rights. He also talked about the basic consumer rights such as the **right to safety, right to information, and right to redress**, while reminding participants of the responsibilities that come with these rights.

Day 1:

The first day included talks about consumer laws and how consumers can file complaints when they face unfair practices. The sessions were interactive, allowing students to ask questions and share their own experiences.

Day 2:

On the second day, students worked in groups to discuss real-life cases of consumer rights violations. Each group presented their ideas on how to solve these issues.

After the group discussions, a **quiz competition** was held to test the students' knowledge of consumer rights. The quiz was a big success, with students answering questions on consumer protection laws and how to handle consumer disputes.

Closing Ceremony:

At the end of the workshop, **Dr. K. Prabhakar Reddy** thanked the guest speaker, faculty, and students for their participation and contributions to the event's success.

Smt. S. Pavani, Lecturer in Physics and the **Co-Ordinator of the workshop**, also addressed the audience. She emphasized how important it is for students to learn about their rights and apply this knowledge in their daily lives.

Participation certificates were given to all the students who attended the workshop and participated in the quiz.

Conclusion:

The two-day workshop was a great success, providing students with valuable knowledge about their consumer rights and helping them understand how to protect themselves in the marketplace. The **Department of Commerce** is committed to organizing more such workshops in the future to further promote consumer awareness among students.
