## Report on Entrepreneurship Program

The Department of Commerce at K.H Government Degree College, Dharmavaram organized an Entrepreneurship Program on 06-01-2023 to inspire students to explore entrepreneurial opportunities. The program combined theoretical sessions with practical exposure, offering participants a well-rounded learning experience. The event was inaugurated by Dr. K. Prabhakar Reddy, the principal, who emphasized the importance of entrepreneurship in driving innovation and creating employment opportunities. He encouraged students to view entrepreneurship as a viable career path, stressing the value of practical knowledge in today's competitive business world.

Coordinated by M. Pushpavathi, Lecturer in Commerce, the program featured insightful talks from esteemed guests. K. Therisha, a successful woman entrepreneur, shared her personal journey, underscoring the importance of perseverance, innovation, and leadership in building a successful business. She inspired students, particularly women, to pursue entrepreneurship and become self-reliant.

A key aspect of the program was a practical session held at Jaggery World, Pamurai, where students gained hands-on experience in the jaggery production process. Students learned about the various stages of production, quality control measures, and entrepreneurial opportunities in agro-based industries like jaggery manufacturing.
