International Human Rights Day on 10-12-2022

The Department of Political Science organized a meeting on the eve of Human Rights Day in the e – Class room. The theme of this year is - "Dignity, Freedom and Justice for all." From this day 75th anniversary of the Universal Declaration of Human Rights is celebrated till 10, December 2023. Dr. K. Prabhakar Reddy, Principal of the College said that the climate change and environmental degradation have become the root cause for the violation of many human rights today in the world.

We live in a world where change is inevitable but that should happen in harmony with nature. In this 21st century the ecosystem has been disrupted to an extent that the chances of recovering the environment are slim. Apart from this there are inequalities among the people in the world in the name of religion, region, color, financial status and gender. This is decade emerging inequality in the name of transgender has set a big challenge in front of human rights. Developing sensitivity and sympathy in people is the key to promoting human rights. It's the duty of the teachers at every level to educate and empower students to understand the situation in the society and act accordingly in a progressive way towards peaceful society.

Dr. K. Prabhakar Reddy, Principal, Dr. T. Jeevan Kumar, Vice – Principal, Dr. B. Gopal Naik, Lecturer in Political Science Dr. S. Chittemma, Lecturer in Economics and Dr. S. Shamiulla, Lecturer in Economics presided over the meeting.

INTERNATIONAL HUMAN RIGHTS DAY ON 10-12-2021

The Department of Political Science organized a meeting on the eve of Human Rights Day in the E-Class Room. The theme of this year is - "Dignity, Freedom and Justice for all." From this day 74th anniversary of the Universal Declaration of Human Rights is celebrated till 10, December 2021. Chief Guest Sri Chandra Sekar, Rtd Principal and Dr. K. Prabhakar Reddy, Principal of the College said that the climate change and environmental degradation have become the root cause for the violation of many human rights today in the world. We live in a world where change is inevitable but that should happen in harmony with nature.

In this 21st century the ecosystem has been disrupted to an extent that the chances of recovering the environment are slim. Apart from this there are inequalities among the people in the world in the name of religion, region, color, financial status and gender. This is decade emerging inequality in the name of transgender has set a big challenge in front of human rights. Developing sensitivity and sympathy in people is the key to promoting human rights. It's the duty of the teachers at every level to educate and empower students to understand the situation in the society and act accordingly in a progressive way towards peaceful society. **HUMAN RIGHTS DAY 10, Dec 2021**

Sri Chandra Sekar Rtd Principal and K. Prabhakar Reddy, Principal, Dr. T. Jeevan Kumar, Vice – Principal, Dr. B. Gopal Naik, Lecturer in Political Science and Dr. S. Shamiulla, presided over the meeting.

Freshers Day on 27-07-2019

The II & III Year students of the college celebrated Fresher's Day with an objective of welcoming the Fresher's i.e., I Year Students into the college.

Reddy Prasad Reddy, Lecturer in History, Sri. Adinarayana, Lecturer in Commerce grace the Dias with their presence.

The program began with a prayer song by D, Jyothi, I B.A. followed by Saraswathi Pooja. Lakshmi., who bagged I Prize in Table Tennis. Sir said that the students have to cherish the memories of three years of their study in the college and learn from every event that happens in this period. Graduation is a period of training to achieve long term goals in their life.

It is not the success or failure that effects the life but the perspective of approach towards them. It has been found in report that globally major employers face the challenge of talent crunch. Very few perceive and leverage up skilling. It is the duty of students to be a well skilled candidate ready to hire by the time the student completes the graduation in the college. The seniors extended their wishes to juniors and promised their support in curricular and co curricular activities conducted in the College. The celebration continued with cultural activities namely, singing and dancing followed by lunch.
