

K H GOVERNMENT DEGREE COLLEGE DHARMAVARAM

STUDENTS PARTICIPATION ON BLOCK CHAIN AND WEB 3 WORKSHOP

DEPARTMENT OF COMPUTER APPLICATIONS

BLOCK CHAIN AND WEB 3 WORKSHOP

24-October 2024

An Online Workshop on Blockchain & Web3 Technology was conducted on 24th October 2024 by Zulfiverse Solutions, hosted by SKP Government Degree College, Guntakal. The event took place from 10:00 AM to 1:30 PM via the Zoho Application and included active participation from students and faculty of K H Government Degree College, Dharmavaram.

Objective

The workshop aimed to familiarize participants with the fundamentals of Blockchain and Web3 technology, their practical applications, and their transformative potential in the tech industry.

Key Highlights

1. Introduction to Blockchain Technology:

- **Basics of blockchain, its decentralized nature, and its applications across industries.**

2. Understanding Web3:

- **Exploration of Web3 as the future of the internet, focusing on decentralization and the role of blockchain.**

3. Practical Applications:

- **Real-life examples of decentralized applications (DApps) and insights into their functionality.**

4. Career Opportunities:

- **Guidance on the skills needed to excel in Blockchain and Web3 technology, and discussions on the growing demand for professionals in this field.**

Participation and Interaction

The workshop witnessed active engagement from students and faculty members of both colleges. The interactive Q&A sessions allowed attendees to clarify their queries and engage in meaningful discussions about the presented concepts.

Outcome

The session concluded successfully, equipping participants with foundational knowledge about Blockchain and Web3. Feedback from attendees emphasized the clarity of the explanations and the relevance of the topics discussed. Many expressed interest in attending advanced sessions in the future.
