The survey program is carried out on the day of public holiday on the occasion of Sri Rama Navami, the N.S.S. Volunteers had an opportunity to interact with the youth who have been working in the other cities namely bengaluru most of them were college dropouts and found that the family financial situation has forced them to join the private sector or unorganised sector. It was interesting to find that they would happily come back to their home town if they could find a job that can pay them here as they do. They were explained about various schemes undertaken by the government to address the issue of unemployment further regular trainings are scheduled through Employment Office, APSSDC SKILL development programme etc.,.
